Re: FPPC No. 090383; David Potter

Dear Supervisor Potter:

The Fair Political Practices Commission (the "FPPC") enforces the provisions of the Political Reform Act (the "Act"),¹ found in Government Code section 81000, et seq. As you may be aware, the FPPC had received a complaint against you alleging you violated the Act.

The FPPC has completed its investigation of the complaint filed against you in the above-referenced matter. The complaint alleged that your campaign committee, Dave Potter for Monterey County Supervisor 5th District, failed to disclose a contribution from a contributor, Mr. Nader Agha, in connection with your re-election campaign for the Monterey County Board of Supervisors during the November, 2004 elections. If true, this potentially was a violation of the Political Reform Act's campaign disclosure provisions.

Our investigation has determined that there is insufficient evidence to determine that you committed a violation of the Act. As a result, we are closing this case without taking any further action.

The FPPC publishes forms and manuals and maintains a Technical Assistance Division to facilitate compliance with the requirements of the Act. If you need forms or manuals, or have
